- In no event will Hosted Network be liable to the Client for any loss of business, contracts, profits or anticipated savings or for any other indirect or consequential or economic loss whatsoever.

Fees and Credit Management

- In relation to fees for Services:
 - o Fees for Services ordered by the Client shall begin on the date of the initial order and shall be prorated to include all days until the first day of the next month, and the chosen billing cycle in advance. This may be monthly, quarterly, semi-annually, annually or biennially.
 - o The first day of the month will serve as the anniversary date for all future billings including one time fees, upgrades, additional services, cancellations and service credits, unless the Services only allows annually or biennially billing cycles (eg. domain name registrations, etc).
 - o All fees are due within the period specified on the invoice and as outlined in the relevant specific schedule.
- All published prices are exclusive of any government taxes and charges, unless otherwise noted.
- The speed of provisioning new Services is reliant upon the Client having paid any and all outstanding fees in full.
- Failure to pay any fees may result in the account being referred to an external collection agency, which may include interest (calculated daily) and collection costs
- Accounts that are more than three (3) days past the due date will automatically attract an overdue fee of \$10.00 which will be payable on top of the invoice amount.

Fees for upgrades to Services

- Upgrades ordered by the Client on the billing anniversary date will be billed for a full cycle and will continue each cycle on the first day of the month, unless the Services only allows annually or biennially billing cycles (eg. domain name registrations, etc).
- Upgrades ordered by the Client after the first day of the month will be prorated to the first day of the following month, unless an invoice has already been raised in which case these will be prorated to the next billing cycle of the next month.
- Fees for upgrades will be added to the next invoice generated unless ordered online where they will be invoiced immediately.

- Additional fees may be payable for upgrades where manual work is required by Hosted Network to process the upgrade request. In the event of this occurring this will be quoted to the Client prior to Hosted Network proceeding with the work.

Fees for downgrades to Services

- In relation to fees for downgrades to Services:
 - Downgrades are not available to contracted Services
 - Downgrades will be processed when the request is received by Hosted Network from the Client, unless otherwise specified in the request.
 - A credit will be issued to the Client's account for the difference of any pro-rated pre-paid amount minus the cost of the new plan pro-rated on the chosen cycle.
 - Any fees paid for the setup or establishment of any Services will be automatically deemed as non-refundable.
 - Where fees are charged from upstream providers these will be passed onto the Client and billed as per the standard billing cycle.
